STUDIES IN HISTORICAL & SYSTEMATIC THEOLOGY

Studies in Historical and Systematic Theology is a peer-reviewed series of contemporary monographs exploring key figures, themes, and issues in historical and systematic theology from an evangelical perspective.
Every Christian struggles with sin and wants to be victorious in the fight. Higher life theology—also known as Keswick theology—offers a quick fix for this struggle. It teaches that there are two categories of Christians: those who are merely saved and those who have really surrendered to Christ—or those who have Jesus as their Savior alone and those who have him as their Master as well. If Christians can simply “let go and let God” they can be free of struggling with sin and brought to that higher level of spiritual life. What could be wrong with that?

A lot, it turns out. In No Quick Fix, a shorter and more accessible version of his book Let Go and Let God?, Andrew David Naselli critiques higher life theology from a biblical perspective. He shows that it leads not to freedom, but to frustration, because it promises something it has no power to deliver. Along the way, he tells the story of where higher life theology came from, describes its characteristics, and compares it to what the Bible really says about how we overcome sin and become more like Christ.

AUTHOR
Andrew David Naselli (PhD, Bob Jones University; PhD, Trinity Evangelical Divinity School) is associate professor of New Testament and theology at Bethlehem College & Seminary in Minneapolis and an elder of Bethlehem Baptist Church. He is the administrator for Themelios and has authored and contributed to numerous books and articles including Conscience: What It Is, How to Train It, and Loving Those Who Differ with J.D. Crowley.

Forthcoming August 2017

“This book packs an extraordinary amount of useful summary, critical analysis, and pastoral reflection into short compass. The book will do the most good, however, if it encourages readers in a more faithful way to pursue that holiness without which we will not see the Lord (Hebrews 12:14).”

—D.A. CARSON, Research Professor of New Testament, Trinity Evangelical Divinity School; president and cofounder, The Gospel Coalition
“Our core beliefs about human nature are the building blocks with which we confront the most pressing issues facing our nation and world.”

—From Flawed Perfection

**FLAWED PERFECTION**

**WHAT IT MEANS TO BE HUMAN AND WHY IT MATTERS FOR CULTURE, POLITICS, AND LAW**

*Jeffrey A. Brauch*

In order to understand the problems that face the world, you have to understand human nature. Issues created by humanity itself seem to plague our world—from exploitation and violence to decisions about how to wisely govern or care for human life. And these topics aren’t just abstract problems—they impact the day-to-day lives of many individuals globally.

But in light of the complexity and brokenness that such issues hold, how should Christians respond in a thoughtful, ethical way?

It starts, says Jeffrey A. Brauch, with a correct view of human nature, one based in the Bible—which says that we’re both fallen and created in God’s image. Such a perspective gives us a starting place from which to speak out against injustice while fundamentally seeing humanity as God’s creations.

By looking at legal policy and history and the ways that both legal action and grassroots activism have succeeded and failed, *Flawed Perfection* is a non-partisan examination of many issues that challenge Christians today—and provides the language to think carefully through and then respond to those issues in light of the gospel.

**AUTHOR**

Jeffrey A. Brauch is a professor of law and former dean at Regent University School of Law in Virginia Beach, Virginia. During his more than twenty years at the school, he has taught classes on the Christian foundations of law, international human rights, criminal law, civil procedure, and the origins of the Western legal tradition. He also helped found and is the executive director of Regent’s Center for Global Justice, Human Rights, and the Rule of Law.

“While we can’t understand everything in Scripture with perfect precision, we can understand a great deal once we connect to the worldview and outlook of the biblical writers.”

—From The Bible Unfiltered

THE BIBLE UNFILTERED
APPROACHING SCRIPTURE ON ITS OWN TERMS

Michael S. Heiser

The Bible is mysterious, surprising—and often deeply misunderstood.

In The Bible Unfiltered, Dr. Michael Heiser, an expert in the ancient Near East and author of the best-seller The Unseen Realm, explores the most unusual, interesting, and least understood parts of the Bible and offers insights that will inspire, inform, and surprise you on every page.

Dr. Heiser has helped to remind the church of the supernatural worldview of the Bible. In The Bible Unfiltered, you will see his methods and expertise applied to dozens of specific passages and topics. Gleaned from his years working as Faithlife’s scholar-in-residence, this is some of the very best of Dr. Heiser’s work.

AUTHOR
Michael S. Heiser (PhD, Wisconsin-Madison) is scholar-in-residence at Faithlife Corporation. An expert in Bible and ancient Semitic languages, he is the author of several books including the best-seller The Unseen Realm and the recently released Reversing Hermon. He also hosts the popular Naked Bible podcast. He earned his PhD in Hebrew Bible and Semitic languages and holds an MA in ancient history and Hebrew studies. In addition, he was named the 2007 Pacific Northwest Regional Scholar by the Society of Biblical Literature.

“Ward combines good writing and common sense to explain why English speakers today should both appreciate the KJV and benefit from excellent modern translations.”

—ANDREW DAVID NASCELLI,
Associate professor at Bethlehem College & Seminary, author of No Quick Fix

**AUTHORIZED**

**THE USE AND MISUSE OF THE KING JAMES BIBLE**

**Mark Ward**

The KJV beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Even today the King James is the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last four hundred years—and in subtle ways that very few modern readers will recognize.

In *Authorized*, Mark Ward shows what exclusive readers of the KJV are missing as they read God’s word.

In their introduction to the King James Bible, the translators tell us that Christians must “heare CHRIST speaking unto them in their mother tongue.” In *Authorized*, Mark Ward builds a case for the KJV translators’ view that English Bible translations should be readable by what they called “the very vulgar”—and what we would call “the man on the street.”

**AUTHOR**

Mark Ward received his PhD from Bob Jones University in 2012; he now serves the church as a Logos Bible Software Pro. He is the author of multiple high school Bible textbooks, including *The Story of the Old Testament* and *Patterns for Christian Living*. His dissertation focused on the “religious affections” of Paul.

Students of the Bible often spend years in seminary, time that is meant to prepare them for ministry. But this can also be a very challenging time. Many students struggle with the rigorous study and the challenges to their personal and spiritual lives. Surviving and Thriving in Seminary is designed to prepare current and future seminary students for what's ahead. In it, two experienced seminary professors (and former seminary students) recount what they tell their students and what they wish they'd known. This book aims to teach skills that will help students conquer challenges in the areas of time management, personal life, and study practices. Seminary is always challenging, but with the right tools, students can do more than just survive—they can thrive.

**AUTHORS**

H. Daniel Zacharias (PhD, University of Aberdeen / Highland Theological College) is assistant professor of New Testament at Acadia Divinity College.

Benjamin K. Forrest (EdD, Liberty University) is associate professor of Christian education and chair of practical studies at Liberty University's Rawlings School of Divinity. His doctoral research focused on the spiritually formative experiences of seminary spouses.

SURVIVING AND THRIVING IN SEMINARY

AN ACADEMIC AND SPIRITUAL HANDBOOK

LEXHAM METHODS SERIES

Exegesis takes time that many pastors don’t have and knowledge of context and language that many Bible students have yet to master. The Lexham Methods Series gives pastors and students a toolbox to understand Scripture in all its depth and to present that meaning to others.

LINGUISTICS & BIBLICAL EXEGESIS
Edited by Douglas Mangum & Josh Westbury
A better understanding of how language works should help us understand the Bible better as we seek to discern the original intent and meaning of each biblical author. In Linguistics & Biblical Exegesis, you will get a basic introduction to the field of linguistics—its history, its key concepts, its major schools of thought, and how its insights can shed light on various problems in biblical Hebrew and Greek.

SOCIAL & HISTORICAL APPROACHES TO THE BIBLE
Edited by Douglas Mangum & Amy Balogh
The Bible was not written and received in a historical vacuum—in fact, the social and historical context of the Bible illuminates key understandings that may have been otherwise missed. In Social & Historical Approaches to the Bible, you will learn how biblical scholars use many different approaches to uncover this context, each engaging various aspects of the social and historical world of the Bible.

LITERARY APPROACHES TO THE BIBLE
Edited by Douglas Mangum & Douglas Estes
The study of the Bible has long included a literary aspect with great attention paid not only to what was written but also to how it was expressed. Literary Approaches to the Bible introduces the various ways the study of literature has been used in biblical studies—from classical philology and ancient rhetoric to modern literary criticism.

“In the Gospels, there is often a very clear and direct correlation between the substance of one of Jesus’ teachings, conversations, or sermons and the spatial environment in which he chose to offer it.”

—From Lexham Geographic Commentary on the Gospels

LEXHAM GEOGRAPHIC COMMENTARY ON THE GOSPELS

Edited by Barry J. Beitzel

In a world of dirt roads and dry riverbeds, where shepherds watch their flocks in the hills and fishermen mend their nets by the sea, Jesus taught from hill and plain, using the surrounding landscape as the backdrop for his teaching. The geographic features of an area influence so much of human experience. Even beyond the aspects of climate, landscape, and natural resources, geography always leaves a lasting mark on the development of societies and cultures. The Lexham Geographic Commentary on the Gospels lets you see the land through the eyes of Jesus’ disciples.

Many well-known biblical narratives are filled with geographical details that we tend to gloss over because of our distance from the Holy Land. Jesus’ parables and illustrations are often brimming with geographic clues, but the significance of these distinctive details is often lost in translation. This commentary puts readers in the sandals of the disciples as they traveled throughout Israel with Jesus, but it also explains the significance of the geography for the biblical text and your life today. Each article addresses a particular story, event, or subject across the Gospels.

EDITOR

Dr. Barry J. Beitzel is professor emeritus of Old Testament and Semitic languages at Trinity Evangelical Divinity School in Deerfield, Illinois, USA. He holds a PhD in ancient Near Eastern Studies from Dropsie University in Philadelphia. He obtained a postdoctorate in ancient Near Eastern geography from the Université de Liège, Belgium, and has engaged in postdoctoral archaeological work through UCLA in eastern Syria. Dr. Beitzel is the author of The New Moody Atlas of the Bible.

OSBORNE NEW TESTAMENT COMMENTARIES

Grant R. Osborne

The Osborne New Testament Commentaries, by respected professor and author Grant R. Osborne, are for people seeking a straightforward explanation of the New Testament in its context, avoiding either oversimplification or technical complexity. Osborne brings out the riches of the New Testament, making each book accessible for today’s pastors as well as all who consider themselves students of Scripture.
The Evangelical Exegetical Commentary series incorporates the latest in critical biblical scholarship, yet each volume is written from a distinctly evangelical perspective. The authors explore the context and meaning of the biblical books while showing the value and truth of the texts in ancient times and today. These commentaries present historical and literary insights for understanding the text within the Bible's larger story and applying it to everyday life.

Edited by H. Wayne House (general editor), William D. Barrick (Old Testament editor), W. Hall Harris (New Testament editor).

PHILIPPIANS
1:1–2:18, 2:19–4:23

Mark Keown

Through rigorous examination of the original Greek text and engagement with the latest scholarship, Mark J. Keown delivers an in-depth commentary on Philippians that captures the message of Paul's encouraging letter for believers today.

Abraham Kuyper was both a theologian and social activist. He was not just concerned about his country and culture, but also worked to change them for the glory of God. Yet his works in public theology have never been translated into English—until now. In partnership with the Acton Institute for the Study of Religion and Liberty, Lexham Press is proud to present Kuyper’s major works on cultural engagement. These twelve volumes, though written over a century ago, provide applicable lessons on how to approach society in any era as a Christian.

“Great thinkers and great doers populate our great Christian heritage. Seldom does one find that rare combination of great thinking and doing in one person. Abraham Kuyper stands as one of those rare individuals whose relentless pursuit of God integrated the mind, heart, hands, and feet.”

—GERSON MORENO-RIAÑO, dean and associate professor of government, history, and criminal justice, Regent University College of Arts & Sciences

In this short textbook first published in 1890, Charles Octavius Boothe simply and elegantly lays out the basics of theology for everyday people. A Baptist pastor born into slavery, Boothe brought the heights of academic theology to his congregants so that they might be filled with good things. The entirety of his academic influences are reflected in his systematic theology but he wrote with simplicity in mind. “The doctrines of our holy religion need to be studied in order according to some definite system; but simplicity should prevail, simplicity of arrangement and simplicity of language,” he wrote. Plain Theology for Plain People has never been widely available, and we are honored to make it available to a wide audience in digital and print formats. Walter R. Strickland II reintroduces this forgotten masterpiece.

**AUTHOR**

Charles Octavius Boothe (1845–1924) was a Baptist pastor and educator. He was the founding minister of Dexter Avenue King Memorial Baptist Church in Montgomery, Alabama and one of the founding fathers of Selma University.

*Forthcoming September 2017*
We are greatly blessed to live in a time when so many riches from the past are made available to us. Books that cross the centuries and the continents are becoming available to the average reader for the first time.

We here at Lexham Press are hoping to do our part to bring the best of our Christian heritage to modern readers with a new series: Lexham Classics.

Lexham Classics are new, print editions of out-of-print classic theological works from throughout Christian history. These titles are beautifully typeset using high-quality digital transcripts, ensuring an accurate representation of the writing for the modern reader.

“Like books, people can become ‘classics.’ Great in their day, but richer and more fulfilling with time. Not yet a classic, Vos’ never-before-published Reformed Dogmatics is more like a lost Shakespeare play recently discovered.” —Michael Horton, J. Gresham Machen Professor of Systematic Theology and Apologetics, Westminster Seminary California

Geerhardus Vos was a significant player in the development of Reformed thought, yet his monumental Reformed Dogmatics was for over a century available only in the original Dutch. Richard B. Gaffin Jr.’s new translation, the product of years of work, makes Vos’ systematic theology fully available to the English-speaking world for the first time.

Vos’ strong grounding in scholarship and biblical theology makes Reformed Dogmatics unique, bringing a fresh perspective to systematic theology. His work is further distinguished by its question and answer format, making it accessible and practical for both study and reflection. This foundational work in systematic theology has been brought into the modern era in five beautifully designed hardback volumes.

New Testament scholars have debated the nature of the Koine Greek verb for twenty-five years, reaching an impasse when it came to both tense and aspect. Now, a group of scholars offers a new take on this debate. Originally presented as part of a conference on the Greek verb at Tyndale House, Cambridge, the chapters in The Greek Verb Revisited represent scholarly collaboration from the fields of linguistics, classics, and New Testament studies—resulting in a new perspective that allows the reader to approach the Greek verb in a fresh way. The Greek Verb Revisited not only offers a rare glimpse into the background of the debate over the Greek verb, but also explains the significance of this discussion and provides a linguistically sound way forward.

“The Greek Verb Revisited is the most significant book on the Koine Greek verb to be published in over a quarter century.”

—STEPHEN C. CARLSON, postdoctoral research fellow, Institute for Religion & Critical Inquiry, Faculty of Theology and Philosophy, Australian Catholic University

“This interdisciplinary collection of studies will now provide a basis for any further work on the Greek verb.”

—Larry Hurtado, emeritus professor of New Testament language, literature & theology, School of Divinity, University of Edinburgh

“This is an important volume that deserves careful consideration. It will no doubt occupy a significant position within modern discussions of the Greek verbal system, and rightly so.”—Constantine R. Campbell, associate professor of New Testament, Trinity Evangelical Divinity School

“Dayton Hartman shows great maturity in the way he addresses some of the lies that church leaders are tempted to believe whilst wooing our hearts with the compelling beauty of Christ. Read and enjoy. I’m certain you’ll be refreshed, challenged, and encouraged in your work for the Lord.”

—STEVE TIMMIS, CEO of Acts 29

LIES PASTORS BELIEVE
SEVEN WAYS TO ELEVATE YOURSELF, SUBVERT THE GOSPEL, AND UNDERMINE THE CHURCH

Dayton Hartman

All of us are tempted to believe lies about ourselves. For many pastors, the lies we’re tempted to believe have to do with our identity: that God has called us to lead a movement, that we must sacrifice our home life for our ministry life, or that our image as holy is more important than our actual pursuit of holiness.

In Lies Pastors Believe, pastor and professor Dayton Hartman takes aim at these and other lies he has faced in his own ministry and seen other pastors struggle with. With a winsome and engaging style, Hartman shows current and future pastors why these lies are so tempting, the damage they can do, and how they can be resisted by believing and applying the truth of the gospel.

AUTHOR
Dayton Hartman is lead pastor at Redeemer Church in Rocky Mount, North Carolina. He has a PhD in church and dogma history from North-West University (South Africa), and serves as an adjunct professor at both Southeastern Baptist Theological Seminary and Columbia International University. He is the author of Church History for Modern Ministry: Why Our Past Matters for Everything We Do.

“This book is vintage Allan Moseley! It is biblical, clear, practical, and witty. It perfectly represents the genre of Proverbs. The Proverbs were intended for real life. Moseley masterfully puts this on full display in this very fine work.”

—DR. DANIEL L. AKIN, president, Southeastern Baptist Theological Seminary

LIVING WELL
GOD’S WISDOM FROM THE BOOK OF PROVERBS

Allan Moseley

Proverbs or wise sayings are not just quotable or pithy—they help people walk through life. For instance, people may be reminded to be good stewards by “a penny saved is a penny earned.” Though these adages may seem commonplace, it is important to keep in mind that God himself inspired a book filled with such memorable wisdom—the Old Testament book of Proverbs.

In Living Well, Allan Moseley examines the wisdom displayed in Proverbs. Each chapter covers a different topic and how it is discussed in this biblical book. Moseley explores how the Bible’s wisdom can lead people to live well, whether in their financial decisions, relationships, or work.

“Textually faithful, gospel-rich, and well-organized, this is a go-to resource for understanding the great Book of wisdom.” —J.D. Greear, pastor, The Summit Church (Raleigh-Durham, North Carolina); author, Gaining by Losing: Why the Future Belongs to Churches that Send

AUTHOR
Allan Moseley (PhD, New Orleans Baptist Theological Seminary) has served as a pastor for fifteen years and as professor of Old Testament and Hebrew at Southeastern Baptist Theological Seminary for twenty years. He also teaches courses in expository preaching and hermeneutics and is author of Exalting Jesus in Leviticus (B&H, 2015).

In his letter to Titus, the Apostle Paul implores the reader to take truth seriously and to ensure that the good news of gospel is being passed on in its full force. Solid Christian doctrine and a passion for godly Christian life are twin themes that weave their way throughout this short epistle. In Living Doctrine, Daniel L. Akin unpacks this powerful message and shows how these themes are still vital for Christians today. Like the biblical book it covers, Living Doctrine is concise, gospel-centered, and immensely practical.

Daniel Akin

In his letter to Titus, the Apostle Paul implores the reader to take truth seriously and to ensure that the good news of gospel is being passed on in its full force. Solid Christian doctrine and a passion for godly Christian life are twin themes that weave their way throughout this short epistle. In Living Doctrine, Daniel L. Akin unpacks this powerful message and shows how these themes are still vital for Christians today. Like the biblical book it covers, Living Doctrine is concise, gospel-centered, and immensely practical.

AUTHOR
Daniel Akin is dean at Southern Baptist Theological Seminary in Louisville, Kentucky. He holds an MDiv from Southwestern Baptist Theological Seminary and a PhD from the University of Texas at Arlington.

Forthcoming October 2017

RELIGION / Biblical Studies / Bible Study Guides
978-1-6835-9060-6, Softcover (5x8), $9.99

“Good Christian doctrine is not simply getting the facts right: it is something transformative, brought to life in obedience to Christ.”

—From Living Doctrine
The Snapshots series, edited by Michael F. Bird, engages significant themes in contemporary biblical and theological scholarship, making them accessible to busy students of the word and applicable in the life of the church.

---

**TRANSFORMATION**

**THE HEART OF PAUL’S GOSPEL**

David A. deSilva

What made the gospel so compelling that the Apostle Paul would give up everything to preach the good news? David deSilva argues that some Christians have unintentionally reduced the gospel to a message Paul would hardly recognize—little more than a “get out of hell free” pass. In *Transformation*, deSilva demonstrates that Paul saw the gospel as nothing less than the means to transform and renew all of creation.

**HEIRS OF PROMISE**

**THE CHURCH AS THE NEW ISRAEL IN ROMANS**

P. Chase Sears

How did the Apostle Paul view the church? How are the promises to Israel fulfilled in the church? In *Heirs of Promise*, P. Chase Sears discusses this relationship and explains how it affects our understanding of the Old Testament. Using a biblical-theological approach to the book of Romans, Sears argues that Paul understood the church not as a replacement of Israel, but as the new Israel—the continuation of Israel reconstituted in Christ.

---

**THE RECONCILING WISDOM OF GOD**

**REFRAMING THE DOCTRINE OF THE ATONEMENT**

Adam J. Johnson

In *The Reconciling Wisdom of God*, Adam Johnson considers God’s redemptive work in Christ through the atonement as an act of God’s infinite wisdom. In making this crucial turn, Johnson is able to speak to proponents of the various atonement theories and move the discussion forward in a new direction.

EVERY SQUARE INCH
AN INTRODUCTION TO CULTURAL ENGAGEMENT FOR CHRISTIANS
Bruce Riley Ashford

To what extent should Christians be involved with their culture? In Every Square Inch, Bruce Riley Ashford answers that God wants all of Christian life to be shaped by Jesus’ lordship. Since Jesus truly is Lord over everything, Christians must remove the barrier between sacred and secular and allow the gospel to inform everything they do.

AUTHOR
Bruce Riley Ashford (PhD, Southeastern Baptist Theological Seminary) is provost and dean of the faculty at Southeastern, where he also serves as professor of theology and culture. He is the author of One Nation Under God: A Christian Hope for American Politics (B&H Academic, 2015).

EVERY WAKING HOUR
AN INTRODUCTION TO WORK AND VOCATION FOR CHRISTIANS
Benjamin T. Quinn & Walter R. Strickland II

How should Christians glorify God through their work? In Every Waking Hour, Benjamin T. Quinn and Walter R. Strickland II offer a theological framework for understanding the intersection between the Christian life and work of any kind—helping develop a scriptural understanding of how Monday-to-Friday relates to Sunday morning.

AUTHORS
Benjamin T. Quinn is associate dean for institutional effectiveness and assistant professor of theology and history of ideas at Southeastern Baptist Theological Seminary & The College at Southeastern.

Walter R. Strickland II is special advisor to the president for diversity and instructor of theology at Southeastern Baptist Theological Seminary.

RELIGION / Christian Life / Professional Growth
978-1-5779-9678-1, Hardcover (5×7), 144 pages, $12.95

EVERY GOOD THING
AN INTRODUCTION TO THE MATERIAL WORLD AND THE COMMON GOOD FOR CHRISTIANS
David W. Jones

What does the Bible say about how Christians should think of the physical world they live in? In Every Good Thing, David W. Jones explains why believers should be concerned with the material world. God cares deeply about the material realm, and he calls his followers to live a life of engagement with, not detachment from, the physical world.

AUTHOR
David W. Jones (PhD, Southeastern Baptist Theological Seminary) is professor of Christian ethics, associate dean for graduate program administration, and director of the ThM program at Southeastern. He has authored or coauthored six books and more than a dozen articles that have appeared in various academic publications.

DEMOCRACY IN AMERICA
A NEW ABRIDGMENT FOR STUDENTS

Alexis de Tocqueville,
Edited by John D. Wilsey

"John D. Wilsey has achieved something near impossible—the abridgement of Alexis de Tocqueville’s masterpiece Democracy in America while retaining its core contributions to our understanding of Jacksonian America up to the present. In his introduction, Wilsey provides readers an excellent guide for understanding Tocqueville’s treatment of equality, democracy, liberty, and especially slavery. This volume is perfect for high school and college students, but any curious reader could pick up a copy to start his or her study of this classic text.” —James M. Patterson, assistant professor of politics, Ave Maria University

EDITOR
John D. Wilsey (PhD, Southeastern Baptist Theological Seminary) is assistant professor of history and Christian apologetics at Southwestern Baptist Theological Seminary at the Houston campus, where he teaches courses on Western civilization, American politics, and American religious history. He is the author of American Exceptionalism and Civil Religion: Reassessing the History of an Idea (IVP Academic, 2015).

THE MAJESTY OF MYSTERY
CELEBRATING THE GLORY OF AN INCOMPREHENSIBLE GOD

K. Scott Oliphint

“At first when we hear that God is mysterious, we think: he’s unknowable. What Scott Oliphint argues in this extraordinary book is just the opposite. Divine mystery, as he proves from Scripture, provides the only real hope that we can know God. This book is far from a cold theological study. It sings! When we put it down, we want to say not ‘what a great text,’ but ‘what a great and worthy God.’” —Dr. William Edgar, professor of apologetics, Westminster Theological Seminary

AUTHOR
K. Scott Oliphint (PhD, Westminster Theological Seminary) is professor of apologetics and systematic theology at Westminster Theological Seminary and an ordained minister in the Orthodox Presbyterian Church. He is the author of many books, including Covenantal Apologetics: Principles and Practice in Defense of Our Faith and God with Us: Divine Condescension and the Attributes of God.
SPURGEON COMMENTARY SERIES

Edited by Elliot Ritzema and Jessi Strong

Spurgeon’s writings on the Bible fill dozens of volumes, but his thoughts on particular passages are scattered in numerous books and sermons. This series, edited by Elliot Ritzema, collects Spurgeon’s thoughts in the time-tested format of a traditional commentary, with useful illustrations and applications gathered from his sermons and writings.

CONFRONTED BY GRACE

MEDITATIONS OF A THEOLOGIAN

John Webster

Scripture and the gospel confront us with the truth of God’s grace. This rich collection of thoughtful sermons from a renowned theologian is challenging, stimulating, and inspiring. Webster’s reflections, born from years of theological and biblical study, demonstrate the complexity of the realities we face in the Christian life and the depth of the grace of God.

AUTHOR

John Webster (1955–2016) was professor of divinity at the University of St. Andrews, Scotland. Former chaplain at St. John’s, Durham, and canon of Christ Church, Oxford, he preached and lectured internationally.

EXCELLENT PREACHING

PROCLAIMING THE GOSPEL IN ITS CONTEXT & OURS

Craig G. Bartholomew

Craig G. Bartholomew explains in Excellent Preaching that pastors need to address both the context of Scripture and the context in which they preach in order to preach the gospel effectively. Practical, accessible, and drawing on years of Bartholomew’s preaching experience, this short book helps preachers connect the message of the Bible to everyday life.

AUTHOR

Craig G. Bartholomew (PhD, Bristol University) is H. Evan Runner Professor of Philosophy and professor of religion and theology at Redeemer University College in Ancaster, Ontario, and dean of the St. George’s Centre for Biblical and Public Theology. He is associate editor of the Dictionary for Theological Interpretation of the Bible and the coauthor, with Michael W. Goheen, of The Drama of Scripture.

SPURGEON COMMENTARY SERIES

Edited by Elliot Ritzema and Jessi Strong

Spurgeon’s writings on the Bible fill dozens of volumes, but his thoughts on particular passages are scattered in numerous books and sermons. This series, edited by Elliot Ritzema, collects Spurgeon’s thoughts in the time-tested format of a traditional commentary, with useful illustrations and applications gathered from his sermons and writings.
ROMANS
HIGH DEFINITION COMMENTARY
Steven E. Runge

“Runge presents a visually stimulating work where Paul’s thoughts are literally mapped out in front of you. He successfully shows the reader how Paul’s argument is put together on one block after another. It is a great tool for anyone who is serious about teaching Romans!” —Michael F. Bird, lecturer in theology and New Testament, Ridley College (Melbourne, Australia)

AUTHOR
Steven E. Runge (LittD, University of Stellenbosch) serves as a research associate in the Department of Ancient Studies at the University of Stellenbosch, as director of the Lexham Research Institute, and as scholar-in-residence at Faithlife Corporation. He is the general editor of the Lexham Discourse Greek New Testament and the Lexham High Definition New Testament, and coeditor of The Greek Verb Revisited (Lexham, 2016). Runge is also the author of the Discourse Grammar of the Greek New Testament: A Practical Introduction for Teaching and Exegesis.

978-1-5779-9569-2, Softcover (7.5×9.25), 320 pages, $24.99

PHILIPPIANS
HIGH DEFINITION COMMENTARY
Steven E. Runge

“Runge has offered the fruits of his labors in analyzing discourse features in Philippians. Not only is his work in this commentary illuminating, but he also supplies graphics that attractively communicate his main points. This is a perfect example of how scholars can simplify insights in a way that easily profits the pulpit and pew.” —Nijay K. Gapa, assistant professor of New Testament, George Fox Evangelical Seminary

978-1-5779-9592-0, Softcover (7.5×9.25), 144 pages, $19.99

JAMES
HIGH DEFINITION COMMENTARY
Steven E. Runge

“What happens when you take the results of Greek discourse analysis, traditional exegesis, and creative high-tech graphics and apply them all to the Letter of James in order to write a ‘bottom-shelf,’ highly accessible, succinct commentary? You get this wonderful little book. It is reliable, easy to read, insightful, and convicting all at once!” —Craig Blomberg, distinguished professor of New Testament, Denver Seminary

978-1-5779-9630-9, Softcover (7.5×9.25), 144 pages, $19.99

MENDING A FRACTURED CHURCH
HOW TO SEEK UNITY WITH INTEGRITY
Edited by Michael F. Bird & Brian Rosner

What does it really mean for the church to have unity? How should we deal with diversity? What differences are worth dividing over? A cast of worthy scholars headed by editors Michael F. Bird and Brian Rosner look to the Bible for examples of how to behave when Christians differ. Speaking to pastors, churches, and seminary students, they provide a guide to maintaining unity without sacrificing integrity.

EDITORS
Michael F. Bird (PhD, University of Queensland) is lecturer in theology and postgraduate research at Ridley College in Melbourne, Australia. He is author of several commentaries and theological works.

Brian Rosner (PhD, University of Cambridge) has lectured at the University of Aberdeen and Moore Theological College. He serves as principal of Ridley College in Melbourne, Australia.

978-1-5779-9631-6, Softcover (5×8), 160 pages, $12.95
