SIGNS OF THE MESSIAH
AN INTRODUCTION TO JOHN’S GOSPEL
Andreas J. Köstenberger

Have you ever asked God for a sign? Throughout Scripture, God gave signs to his people, whether mighty acts during the exodus or miracles through Elijah and Elisha. Jesus was also asked for a sign. Yet despite seven remarkable signs he gave, his people refused to believe him.

In Signs of the Messiah, Andreas J. Köstenberger—veteran New Testament scholar and expert on the Gospel of John—guides readers through John and highlights its plot and message. John’s Gospel is written to inspire faith in Jesus. By keeping the Gospel’s big picture in view, readers will see Jesus’ mighty signs and be compelled to trust more fully in the Messiah.

AUTHOR
Andreas J. Köstenberger is research professor of New Testament and biblical theology and director of the Center for Biblical Studies at Midwestern Baptist Theological Seminary. He has written numerous books, including The Theology of John’s Gospel and Letters, Encountering John, and The Crucifer, the Cross, and the Crown: An Introduction to the New Testament.

CHRIST OUR SALVATION
EXPOSITIONS & PROCLAMATIONS
John Webster
Ed. Daniel Bush

The church’s vocation is to treasure the gospel and live it out. The late theologian John Webster believed Christian preachers and theologians should be principally concerned with the proclamation of this news. At the center of that proclamation is our salvation in Christ.

In this compilation of homilies, John Webster explores the various contours of the salvation accomplished for us in Christ and displays for preachers a model of theological exegesis that regards the gospel as the heart of holy Scripture. Readers of Christ Our Salvation will be presented with a feast of “theological” theology for Christian proclamation.

AUTHOR
John Webster (1955–2016) was professor of divinity at the University of St Andrews, Scotland. Former chaplain at St. John’s, Durham, and canon of Christ Church, Oxford, he preached and lectured internationally. He is the author of many books, including God without Measure (vols. I & II), The Domain of the Word, and Holy Scripture: A Dogmatic Sketch.

Peter J. Leithart

Then, in conversation with Christian tradition, he shows why baptism is something worth recovering and worth agreeing on.

DUAL CITIZENS
POLITICS AND AMERICAN EVANGELICALISM
Ed. Timothy Padgett

American evangelicals are often assumed to be a monolithic political force absolutely unified in their priorities. This collection of articles from Christianity Today originally published between 1956 and 2016 tells a different story. Evangelical engagement with politics has been more complex than is often remembered. Dual Citizens reveals a variety of evangelical thought toward political developments over the past few decades.

What is Anglicanism? There are many associations that come to mind. Whether it is the buildings, the unique history, the prayers, or church government, often we emphasize one aspect against others. Is the Anglican church a Protestant church with distinctive characteristics, or a Catholic Church no longer in communion with Rome?

In Anglicanism: A Reformed Catholic Tradition, Gerald Bray argues that some theological trajectories are more faithful than others to the nature and history of the Church of England. Readers looking to understand the diversity, nature, and future of Anglicanism will be helped by Bray’s historical examination.

“Gerald Bray’s helpful survey of the history and historic formularies of the Anglican tradition succeeds in capturing the many-splendored character of Anglicanism.”

SMALL PREACHING
25 LITTLE THINGS YOU CAN DO NOW TO BECOME A BETTER PREACHER
Jonathan T. Pennington

Our culture teaches that bigger is better—and that includes church ministry and preaching, too. But what if rather than swinging for the fences, preachers focused on improving their sermons through small habits, practices, and exercises? What if smaller is better?

In a world where “small” isn’t always celebrated, Jonathan T. Pennington provides Small Preaching, a short book of simple tips that can have revolutionary effects over time. Pennington offers preachers words of wisdom that will help shape their preaching for the better.

AUTHOR
Jonathan T. Pennington is associate professor of New Testament interpretation and director of research doctoral studies at The Southern Baptist Theological Seminary. He also is a preaching pastor at Sojourn East Church in Louisville, Kentucky. Pennington is the host and coproducer of the video series Cars, Coffee, Theology and the author of numerous books, including Reading the Gospel Wisely and Jesus the Great Philosopher.

FUNERALS
Tim Perry
Fear of death affects us all, and so pastors have significant hurdles to overcome. What Christians need today is a renewed vision of the traditional Christian funeral liturgy. In Funerals, Tim Perry recovers the rich theology inherent to the Christian funeral: communion with the saints in death, peace in forgiveness, hope in the resurrection, and joy in life eternal. Perry guides pastors through the practice of funerals, from planning the service to delivering the eulogy, and offers wisdom for the difficult cases.

FINDING SOUL REST
40 DAYS OF CONNECTING WITH CHRIST: A DEVOTIONAL
Curtis Zackery

Jesus tells us that he “will give us rest.” But what does that look like in a society marked by increasing rates of overcommitment and burnout? Too many of us have built unhealthy cycles of rest, striving and straining against God’s intent for our lives.

In Finding Soul Rest, Curtis Zackery provides a practical guide to finding the deep soul rest that Jesus promises. And it all centers around renewing and restoring our relationship with Christ. This thoughtful devotional on rest calls us to the intentional work of self-examination, helping us move toward a purposeful and sustainable life with Jesus.

AUTHOR
Curtis “CZ” Zackery is the author of Soul Rest. He has served in various ministry and leadership roles for the past 20 years—including church planting, pastoring, and speaking on rest, the kingdom of God, and the beauty of the gospel.

“Every pastor will find this a very profound but readable publication.”

PREACHING HOPE IN DARKNESS
HELP FOR PASTORS IN ADDRESSING SUICIDE FROM THE PULPIT
Scott M. Gibson and Karen Mason

Pastors face many challenges; suicide in a congregation is among the most heart-rending and intimidating. However, the preacher has a unique capacity to engender gospel hope for preparing the congregation and comforting the bereaved. To do so, preachers need help understanding the challenges and opportunities presented by addressing suicide from the pulpit.

In Preaching Hope in Darkness, two practitioners in fields that do not typically interact—homiletics (Scott M. Gibson) and psychology (Karen Mason)—work together to support the preacher in this difficult task. Gibson and Mason offer wise advice on a range of topics such as suicide prevention, post-crisis care, and funeral sermon preparation. With an appendix of sample sermons and a sample funeral liturgy, Preaching Hope in Darkness is an essential guide for this difficult topic.

AUTHORS
Scott M. Gibson (DPhil, University of Oxford) holds the David E. Garland Chair of Preaching and is director of the PhD in Preaching program at Baylor University/Truett Seminary (Waco, Texas). He is cofounder of the Evangelical Homiletics Society and author or coauthor of several books on preaching.

Karen Mason has an MA in Old Testament and a PhD in counseling psychology and is professor of counseling and psychology at Gordon-Conwell Theological Seminary (South Hamilton, Massachusetts). She is the author of Preventing Suicide: A Handbook for Pastors, Chaplains and Pastoral Counselors.

“Every pastor will find this a very profound but readable publication.”

—The Rev. Dr. Raymond F. Pendleton, senior professor of counseling, Gordon-Conwell Theological Seminary

More on Demons

In Demons, Michael Heiser debunks popular presuppositions about the very real powers of darkness. Rather than traditions, stories, speculations, or myths, Demons is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says. You’ll come away with a sound, biblical understanding of demons, supernatural rebellion, evil spirits, and spiritual warfare.

**AUTHOR**

Michael S. Heiser is a groundbreaking author, speaker, and scholar pushing Christians to dig deep into Scripture and see things afresh. His varied academic background enables him to operate in the realm of critical scholarship and the wider Christian community. He knows how to present complex topics in a way that’s accessible and engaging to scholars and laypeople alike. And with his inquisitive mind, he’s always seeking out new subjects to shine a fresh light on.

“This book brings clarity and coherence to what the Bible is and is not trying to tell us about the nature and origins of spiritual evil. Get ready for many lightbulb moments, and for a whole new appreciation of biblical texts you thought you already understood.”

—Tim Mackie, co-creator of The Bible Project

“Demons will not only answer your most difficult questions about the underworld, but it will help you realize why your role in the Great Commission is so important.”

—Frank Turek, CrossExamined.org and co-author, I Don’t Have Enough Faith to be an Atheist

“Michael Heiser has done a great service to all who want to understand the biblical theology of demons, the supernatural powers in rebellion against God. The study will correct widely held errors in modern demonology and make us more faithful followers of the One who has won the decisive victory over the devil.”

EVIL AND CREATION
HISTORICAL AND CONSTRUCTIVE ESSAYS IN CHRISTIAN DOGMATICS
David J. Luy,
Matthew Levering,
and George Kalantzis
In Evil and Creation, David J. Luy, Matthew Levering, and George Kalantzis collect essays investigating how the doctrine of creation relates to moral and physical evil. Essayists pursue philosophical and theological analyses of evil rather than neatly solving the problem of evil itself. With contributions from Constantine Campbell, Paul Blowers, and Paul Gavrilyuk, this volume draws on biblical and patristic voices to produce constructive theology, considering topics ranging from vanity in Ecclesiastes and its patristic interpreters to animal suffering.

“A very welcome collection of essays that offer theological responses to the existence of evil and suffering, and their place in creation, and deepen our understanding of the mystery of God and ourselves: a rich feast on which to be nourished!” —Fr. THE LOGIC OF THE BODY
RETRIEVING THEOLOGICAL PSYCHOLOGY
Matthew A. LaPine
In The Logic of the Body, Matthew LaPine argues that Protestants must retrieve theological psychology in order to properly understand the emotional life of the human person. With classical and modern resources in tow, LaPine argues that one must not choose between viewing emotions exclusively as either cognitive and volitional on the one hand, or simply a feeling of bodily change on the other. The two “stories” can be reconciled through a robustly theological analysis.

**THE FEDERAL THEOLOGY OF JONATHAN EDWARDS**

An Exegetical Perspective

Gilsun Ryu

Jonathan Edwards is remembered for his sermons and works of theology and philosophy—but he has been overlooked as an exegete. In *The Federal Theology of Jonathan Edwards*, Gilsun Ryu explores how exegesis drove Edwards's focus on the headship of Christ as second Adam—and likewise formed a foundation for his broader theological reasoning and writing, especially on Christ and the covenants. Edwards’s distinctive emphases on exegesis, redemptive history, and the harmony of Scripture distinguish him from his Reformers forebears.

Reflections on Martin Luther and Biblical Studies

Ed. Channing L. Crisler and Robert L. Plummer

Whatever the theological malady, Martin Luther prescribed the same remedy: the word of God. For Luther, the word was central to the Christian life. What, then, can biblical studies learn from Luther? In *Always Reforming*, leading Lutheran, Reformed, and Baptist scholars explore Martin Luther as an interpreter of Scripture. The contributors elucidate central themes of Luther’s approach to Scripture, place him within contemporary dialogue, and suggest how he might reform biblical studies.

EVIL IN GENESIS
A CONTEXTUAL ANALYSIS OF HEBREW LEXEMES FOR EVIL IN THE BOOK OF GENESIS

Ingrid Faro

In Evil in Genesis, Ingrid Faro uncovers how the Bible’s first book presents the meaning of evil. Faro conducts a thorough examination of evil on lexical, exegetical, conceptual, and theological levels. This focused analysis allows the Hebrew terminology to be nuanced and permits Genesis’ own distinct voice to be heard. Genesis presents evil as the taking of something good and twisting it for one’s own purposes rather than enjoying it how God intended. Faro illuminates the perspective of Genesis on a range of themes, including humanity’s participation in evil, evil’s consequences, and God’s responses to evil.
This is now one of the foundational reference works for any discussion on the geography and context of the exodus event.”

LEXYHAM GEOGRAPHIC COMMENTARY
ON ACTS THROUGH REVELATION

The Lexham Geographic Commentary on Acts through Revelation puts readers in the sandals of the apostles as they travel throughout the Mediterranean, explaining the geographical setting for the spread of Christianity in the first century. Geography is a central concern throughout the writings of Paul and the apostles, but the full significance of its geographical context is easily overlooked without a familiarity with the places, the types of transportation, the relative distances, and the travel conditions around the ancient Mediterranean. Luke’s account mentions places from all over the known world, and Paul’s missionary travels covered an estimated 15,000 miles by land and sea. The Lexham Geographic Commentary gives you insight into the importance of all of these locations—both culturally and spatially—and provides a deeper understanding of the spread of early Christianity.

“This distinctive and clearly focused commentary is replete with solid information about the geographical and archaeological contexts of the Gospels.”

—David A. delSila, Trustees’ Distinguished Professor of New Testament and Greek, Ashland Theological Seminary

For many beginning students of the New Testament, looking for a commentary seems like a simple process: identify the book you’re studying, search for a commentary, and pick one. However, the reality is far from simple. With new commentaries being published every year, the student of Scripture can quickly become overwhelmed with an inexhaustible amount of resources. What is the student to do?

In this short, accessible resource, Nijay Gupta helps beginning Bible students understand the various available commentaries—their strengths, unique contributions, and ultimately, how to use them. ROMANS
A STRUCTURAL, THEMATIC, & EXEGETICAL COMMENTARY

Aaron Sherwood

Paul’s majestic letter to the Romans has impacted generations of readers. Christians regularly turn to it as a foundation for doctrine, evangelism, and Christian living. However, individual verses are often pulled from their context, or later doctrinal formulations are imported into the text. Are we truly following Paul’s meaning? What if we reread Romans on its own terms, with sensitivity to its flow and structure?

Aaron Sherwood’s Romans commentary keeps Paul’s argument central. As we encounter the letter’s message and theology, the forest is never lost for the trees. Reading Romans with rhetorical perception results in illuminating and sometimes surprising conclusions.

AUTHOR
Aaron Sherwood (PhD, Durham University) is an instructor for Regent College and the author of Paul and The Restoration of Humanity in Light of Ancient Jewish Traditions.

“Aaron Sherwood has written a masterful commentary on Romans. I am grateful for his passion to help us think about what Paul means and how we should reread Romans with fresh eyes.”

—Michael F. Bird, Regent College

“Sherwood insists that the structure of Romans should determine what is of central importance and offers a reading of the letter that is original, well-argued, and highly stimulating.”

—John M. G. Barclay, Lightfoot Professor of Divinity, Durham University

RAISED ON THE THIRD DAY
DEFENDING THE HISTORICITY OF THE RESURRECTION OF JESUS
Ed. W. David Beck and Michael R. Licona

Did Jesus rise from the dead? Is resurrection even possible? There are numerous historical and philosophical challenges to belief in Jesus’ resurrection. For many, these questions are insurmountable.

Raised on the Third Day approaches these questions with critical and believing eyes. Edited by W. David Beck and Michael R. Licona, Raised on the Third Day collects essays from prominent contributors in the fields of philosophy, history, and apologetics. Contributors evaluate scriptural, historical, moral, and apologetic issues related to Christ’s death and resurrection. Inspired by the foundational work of Gary Habermas—arguably the greatest contemporary Christian thinker on the resurrection—these essays build on his work and move the discussion forward.

FREED TO BE GOD’S FAMILY
THE BOOK OF EXODUS
Mark R. Glanville

In the book of Exodus, God frees Israel from slavery to Egypt. But they are not left as orphans. Rather, the redeemed are made into a new family—God’s family. In Freed to be God’s Family, Mark R. Glanville argues that the central motif of Exodus is community. God wants a healthy, dynamic relationship with the redeemed. As family members, Israel is called to learn God’s ways and reflect God’s character to the world.

SELF-GIVING LOVE
THE BOOK OF PHILIPPIANS
Dean Flemming

Everyone needs examples. We all need mentors we admire and after whom we can pattern our lives. Without them, we will not mature. Philippians is a letter full of good examples. Paul, Epaphroditus, and Timothy are all portrayed as exemplars. But none is more important than Jesus himself.

In Self-Giving Love, Dean Flemming shows how Jesus and the story of his self-emptying love are the very heart of Philippians. This ultimate example provides a lens for clearly seeing the rest of the letter. By emulating Jesus’ radical love, we will become mature, foster unity, and find joy.

REFORMED DOGMATICS
A SYSTEM OF CHRISTIAN THEOLOGY
Geerhardus J. Vos
Ed. Richard B. Gaffin

Geerhardus Vos’s Reformed Dogmatics represents the early theological thought of one of the premier Reformed thinkers of the nineteenth and twentieth centuries. Originally self-published in 1896 under the title Gereformeerde Dogmatiek, Vos’s five volumes were not available in English until more than a century after their original publication.

Now, this new edition brings together all five volumes of the English translation of Reformed Dogmatics:
- Volume 1: Theology Proper
- Volume 2: Anthropology
- Volume 3: Christology
- Volume 4: Soteriology
- Volume 5: Ecclesiology, The Means of Grace, Eschatology

Vos is perhaps best known to English speakers for his books Pauline Eschatology (1950) and Biblical Theology: Old and New Testaments (1948). His strong grounding in biblical scholarship and biblical theology gives Reformed Dogmatics a unique, fresh, biblical perspective. Although this work is systematic in nature, Vos brings the skills and acumen of a biblical theologian to the task.

“Like books, people can become ‘classics’—great in their day, but richer and more fulfilling with time. Not yet a classic, Vos’s never-before-published Reformed Dogmatics is more like a lost Shakespeare play recently discovered.”

BUSINESS & ECONOMICS
In his vast treasury of writings, Abraham Kuyper addressed nearly every sphere of society, including politics, science, and the arts. But his views on business and economics are often overlooked because he rarely engaged with that sphere directly. Still, his doctrine of common grace has great significance for showing how Christ is at work in the workplace.

In this anthology of essays, speeches, and reflections, we see Kuyper’s attempts to think positively and creatively about the calling and potential of business. Included are his ideas about economic freedom, the eternal value of earthly work, stewardship and philanthropy, economic globalization, the workings of God’s grace in business, and the social function of money.

“The Ascension of Christ
Recovering a Neglected Doctrine”

Patrick Schreiner

The good news of Jesus includes his life, death, resurrection, and future return—but what about his ascension? Though often neglected or misunderstood, the ascension is integral to the gospel.

In The Ascension of Christ, Patrick Schreiner argues that Jesus' work would be incomplete without his ascent to God's right hand. Not only a key moment in the gospel story, Jesus' ascension was necessary for his present ministry in and through the church. Schreiner argues that Jesus' residence in heaven marks a turning point in his three-fold offices of prophet, priest, and king. As prophet, Jesus builds the church and its witness. As priest, he intercedes before the Father. As king, he rules over all.

Author

Patrick Schreiner (PhD, The Southern Baptist Theological Seminary) is assistant professor of New Testament language and literature at Western Seminary. He is the author of The Kingdom of God and the Glory of the Cross and Matthew, Disciple and Scribe.

“Navigating Tough Texts

Murray J. Harris

While the core message of the New Testament is clear, there are often puzzling, alarming, or confusing things we encounter when we get into the details of the text.

Navigating Tough Texts, he clearly and concisely provides exegetical insights to over one hundred tricky New Testament verses that have implications for theology, apologetics, mission, and the Christian life.

Author

Murray J. Harris is professor emeritus of New Testament exegesis and theology at Trinity Evangelical Divinity School, Deerfield, Illinois. Formerly he was warden of Tyndale House, Cambridge (UK), and faculty member of the Divinity School in the University of Cambridge. He is the author of many well-known biblical studies books.
MORAL QUESTIONS OF THE BIBLE

TIMELESS TRUTH IN A CHANGING WORLD

“By examining texts within their cultural contexts, Instone-Brewer shows not only that the biblical commands represent a major ethical advance on the cultures of their day, but also that they reflect the encultured revelation of a just and loving God.”

SCRIPTURE IN CONTEXT

David Instone-Brewer

The Scripture in Context series is driven by the conviction that there is nothing as exciting, direct, provocative, and spiritually enlightening as the Bible when we read it as it was meant to be read. Each book in the series dives into the ancient cultural context behind Bible passages, examining the effect this context had on what the Bible writers were saying and how we should understand their words today. When we read the Bible in light of its context, it is anything but boring. Instead, God’s word can speak to us as powerfully as it did to those who first read it.

SCIENCE & THE BIBLE

MODERN INSIGHTS FOR AN ANCIENT TEXT

Science and the Bible are often pitted against each other, causing many to either defend science at Scripture’s expense, or vice versa. Instead, what if we saw them as friends? David Instone-Brewer takes a refreshing and non-antagonistic approach, asking how science can aid our interpretation of the Bible. The result is stimulating on topics such as God’s omnipresence, the origin of languages, the nature of eternity, the relationship of spirit and soul, the reality of resurrection, and Jesus’ human experience.

**THE UNFOLDING WORD**

**THE STORY OF THE BIBLE FROM CREATION TO NEW CREATION**

Zach Keele

Scripture is a transformative, unfolding word that shapes and changes its readers. Too often, however, the Bible can be misunderstood or hard to comprehend: How does the Bible, with its various authors, genres, and style, separated by hundreds of years, tell a single story?

In *The Unfolding Word*, Zach Keele helps readers understand the narrative shape of the Bible and how each of its parts collectively tell one grand story. Engaging with both ancient history and the personal events depicted in Scripture provides a unique perspective for readers of the Bible. By treating the whole world of Scripture as a cohesive story, hidden insights and spiritual jewels will begin to emerge.

Zach Keele has been the pastor of Escondido Orthodox Presbyterian Church since 2003. He also has served as a lecturer in Greek, Hebrew, English Bible survey, and speech at Westminster Seminary California since 2004.
