COMMENTARY ON THE NEW TESTAMENT FROM THE TALMUD AND MIDRASH

VOLUME III, ROMANS THROUGH REVELATION

Hermann L. Strack & Paul Billerbeck

Hermann L. Strack and Paul Billerbeck’s Commentary on the New Testament from the Talmud and Midrash is an important reference work for illustrating the concepts, theological background, and cultural assumptions of the New Testament. The commentary walks through each New Testament book verse by verse, referencing potentially illuminating passages from the Talmud and Midrash and providing easy access to the rich textual world of rabbinic material. Volume three comments on Romans through Revelation. This volume also includes an introduction by David Instone-Brewer.

Originally published between 1922 and 1928 as Kommentar zum Neuen Testament aus Talmud und Midrasch, Strack and Billerbeck’s commentary has been unavailable in English until now.

“To understand rabbinic Judaism in the round we must go elsewhere. But to understand the New Testament, we can still go to this rich compendium of sources, not to find ready-made answers to our questions, but to provide a broader context for our exegetical enquiries. I hope this book will be widely used and I hope renewed familiarity with it will stimulate fresh discussions of the Jewish traditions it collects.”

—Richard Bauckham, Emeritus Professor of New Testament, St Andrews University, Scotland

“Everyone interested in the Jewish context of New Testament literature will welcome the appearance of the English translation of Strack and Billerbeck’s classic commentary that provides myriads of parallels with rabbinic literature. As an added bonus, David Instone-Brewer’s introduction very helpfully clarifies the proper use of this valuable tool and at the same time answers the criticisms leveled against it in its original German form.”

—Craig A. Evans, John Bisagno Distinguished Professor of Christian Origins, Houston Baptist University

PSALMS
VOLUMES I & II
James M. Hamilton Jr.

James M. Hamilton provides a fresh translation and canonical interpretation of the Psalms. Though commonly read in isolation, the Psalms are best read as a collage that tells a story of God's faithfulness to his people through his king. Following the introductory Psalms 1–2, Hamilton observes the significance of the Psalter's intentional macro-structure and intricate links across neighboring psalms. Hamilton interprets with a literary sensitivity and an eye toward canonical connections.

“The blend of literary care, canonical integration, exegetical insight at the level of the original language, Christ-connected instinct, and reverent gravitas makes this a really wonderful and landmark work. I will return to this work every time I preach, teach, and write on a psalm.” —Dane Ortlund, pastor, Naperville Presbyterian Church

“This commentary belongs on the desk of every preacher and in the library of every Christian.” —R. Albert Mohler, Jr., president, The Southern Baptist Theological Seminary

“This will certainly be a helpful resource for the Church of Jesus Christ.” —Peter J. Gentry, Distinguished Visiting Professor of Old Testament, Phoenix Seminary

Too often, a former Hebrew student is a lapsed Hebrew student. The paradigms, the syntactical forms, and even the alphabet can be hard to recall. The way to make Hebrew stick, like any language, is to continue to put it to use.

In *Ruth: A Guide to Reading Biblical Hebrew*, Adam J. Howell helps intermediate readers of Hebrew work through the text of Ruth with exegetical and syntactical aids. With Howell as a guide, students will be able to mine the riches of the Hebrew text to appreciate the literary and theological significance of the book of Ruth.

Let’s face it: the book of Revelation is difficult to read! Many neglect it, leaving it to the experts or the obsessed. Others fixate on the details, focusing on current events but missing Christ in the process. But Revelation promises a blessing on all who read it. Why is it so hard to understand?

In *Reading the Book of Revelation*, Alexander E. Stewart offers five simple keys that unlock this difficult book. He then illustrates their profit in explaining Revelation chapter by chapter and provides recommendations for further study. With this short and accessible guide, readers will see how Revelation is approachable, applicable to their lives, and glorifying to Christ.

The practical outworking of Kuyper’s doctrine of common grace demanded a commitment to seeking Christ’s glory in every sphere of human life. Christians are called to witness to the lordship of Christ through sacrificial service, not domination, and such service calls us to seek charity and justice for all people.

In this anthology of articles and reflections, Kuyper articulates a Christian vision for engaging with society. Though his analysis was intended for his late nineteenth-century Dutch context, his thoughts remain strikingly relevant for Christians living in the modern world. For Kuyper, God’s law preserved civil justice, making humane life possible. However, the law itself could not save society—only the gospel can transform the heart. But the gospel is for all of life. Kuyper elaborated a social Christian approach to politics, resulting in a distinct perspective on property, human dignity, democracy, and justice.
ALL THY LIGHTS COMBINE
FIGURAL READING IN THE ANGLICAN TRADITION

Ed. David Ney & Ephraim Radner

Figural interpretation has been a trademark of Anglican devotion from the beginning. Anglican readers—including Tyndale, Cranmer, Hooker, and Lewis—have been figural readers of the Bible. By paying attention to how words, images, and narratives become figures of others in Scripture, these readers sought to uncover how God’s word interprets all of reality. Every verse shines the constellation of God’s story.

Edited by David Ney and Ephraim Radner, the essays in All Thy Lights Combine explore how the Anglican tradition has employed figural interpretation to theological, Christological, and pastoral ends. The prayer book is central; it orders them by the word. With guided prayers for morning and evening, this book invites readers to be re-formed by God’s word.

Become immersed in the riches of the Anglican interpretive tradition.

We do not simply interpret God’s word. His word interprets us.

WONDERFULLY MADE
A PROTESTANT THEOLOGY OF THE BODY

John W. Kleinig

When it comes to thinking about our bodies, confusion reigns. In our secular age, there has been a loss of the body’s goodness, purpose, and end. Many people, driven by shame and idolatry, abuse their body through self-harm or self-improvement. How can we renew our understanding and see our bodies the way God does?

In Wonderfully Made, John Kleinig forms a properly biblical theology of our bodies. Through his keen sensitivity to Scripture’s witness, Kleinig explains why bodies matter. While sin has corrupted our bodies and how we think of them, God’s creation is still good. Thus, our bodies are good gifts. The Son took on a body to redeem our bodies. Kleinig addresses issues like shame, chastity, desire, gender dysphoria, and more, by integrating them into the biblical vision of creation.

See our bodies as God sees them.

“Wonderfully Made is a tremendous and accessible guide for Protestants who are beginning to turn our attention toward what it means to live in the flesh that God gave us.”

—Matthew Lee Anderson, assistant professor, Baylor University, and founder of Mere Orthodoxy

“With scriptural depth, and without minimizing the ugliness of sin and death, Kleinig shows us how our bodies belong to God’s good news of salvation, love, and life. This book is an invitation not only to a more faithful practice of singleness or marriage, but also to a deeper sense of what it means to worship the incarnate Lord.”

—Matthew Levering, James V. and Mary D. Perry Sr. Chair of Theology, Mundelein Seminary

AUTHOR
John W. Kleinig is a retired lecturer at Australian Lutheran College and an ordained pastor in the Lutheran Church of Australia. He is author of numerous books, including Grace upon Grace: Spirituality for Today and commentaries on Hebrews and Leviticus.

THEOLOGY OF MISSION
A CONCISE BIBLICAL THEOLOGY
J. D. Payne

In Theology of Mission: A Concise Biblical Theology, J. D. Payne traces the theme of mission throughout Scripture. The Bible is a story of God’s mission. God takes initiative to dwell with humanity. He desires to be known. To this end, he sends and is sent. Through Christ, God redeems sinful humans and recreates the cosmos. And he has invited his people to join in this mission.

Payne shows that God’s mission is on every page of the Bible and is foundational to the church’s own existence. With reflection questions following concise chapters, all readers can consider their place in God’s work.

THE TRINITY AND THE BIBLE
ON THEOLOGICAL INTERPRETATION
Scott R. Swain

Christians affirm and worship a triune God. But how should this affect our reading of the Bible? In The Trinity and the Bible, Scott R. Swain asserts that not only does the Bible reveal the Trinity, but the Trinity illuminates our reading of the Bible. Swain reflects on method and applies a Trinitarian framework to three exegetical studies. Explorations of three genres of New Testament literature—Gospel, epistle, and apocalyptic—display the profits of theological interpretation. Through loving attention to the Scriptures, one can understand and marvel at the singular identity and activity of the triune God.

“Those essays exhibit the Trinity in its biblical manifestation and doxographic proclamation. Is the classical doctrine of the Trinity a biblical truth? In this richly rewarding book, Swain shows that the answer is a resounding yes.”
—Matthew Levering, James N. and Mary D. Perry Jr. Chair of Theology, Mundelein Seminary

“A must-read for those interested in the doctrine specifically and theological interpretation more broadly. Swain’s essays exemplary material for both.”
—Madison N. Pierce, assistant professor of New Testament, Trinity Evangelical Divinity School

AUTHOR
Scott R. Swain (PhD, Trinity Evangelical Divinity School) is president and James Woodrow Hassell Professor of Systematic Theology at Reformed Theological Seminary in Orlando, Florida. He is also author or editor of several books, including Trinity, Revelation, and Reading; Retrieving Eternal Generation; and The Trinity: An Introduction.

“The Trinity and the Bible” by Scott R. Swain

“This highly readable volume leads readers into Scripture and the doctrine of the Trinity simultaneously. It is deeply informed, cogently argued, and elegantly written.”
—Fred Sanders, Torrey Honors College, Biola University
In Hidden & Revealed, Dmytro Bintsarovskyi explores the hiddenss and revelation of God in two separate theological streams—Reformed and Orthodox. Bintsarovskyi shows that an understanding of both traditions reflects a deep structure of shared language, history, and commitments, even while reflecting real differences. With Herman Bavinck and John Meyendorff as his guides, Bintsarovskyi advances ecumenical dialogue on a doctrine central to our knowledge of God.

“Dmytro Bintsarovskyi’s careful comparison between Reformed theologian Herman Bavinck and Eastern Orthodox theologian John Meyendorff: a model of sound ecumenical theology.” — John Bolt, Jean and Kenneth Baker Professor of Systematic Theology, Calvin Theological Seminary

In In the Name of Our Lord, Jonathan D. Watson’s four-model framework accounts for the major historical varieties of relationship between baptism and catechism as rites of initiation into the church. With this framework in place, Watson then considers each model in relation to the others.

“In this well-researched and thought-provoking study, Jonathan Watson employs ‘surgical logic’ to provide an insightful and scholarly analysis of how diverse church traditions relate baptism, catechism, and communion to each other.” — Joel R. Beeke, president, Puritan Reformed Theological Seminary

In Healing the Schism, Jennifer M. Rosner maps the new Jewish-Christian encounter from its origins in the early twelfth-century pioneers to its current representatives. Rosner first traces the thought of Karl Barth (Protestant) and Franz Rosenzweig (Jew) and brings them into conversation. Rosner then outlines the reassessments and developments of post-Holocaust theological architects that moved the dialogue forward and set the stage for today. She considers the recent work of Messianic Jewish theologian Mark S. Kutner and concludes by envisioning future possibilities.

“In this exciting book, Jennifer M. Rosner orchestrates a meeting of minds between Barth and Rosenzweig, and she does so with reference to a phenomenon both thinkers foresaw but neither foresaw: the emergence of theologically articulate Messianic Judaism. A creative and deeply probing work.” — R. Kendall Soulen, professor of systematic theology, Candler School of Theology, Emory University

In Carl F. H. Henry on the Holy Spirit, Jesse M. Payne argues that Henry cannot truly be understood apart from his mature pneumatology. The Spirit plays a vital role in three major areas of Henry’s theology: revelation, ecclesiology, and ethics. These seemingly disparate topics are tied together by his view of a Spirit-inspired Bible ordering a Spirit-enlivened body composed of Spirit-filled believers.

“Jesse M. Payne’s work on the role of the Holy Spirit in the theology of Carl F. H. Henry provides a fresh and convincing correction to the perception that Henry’s theology was one-sided, lacking a developed pneumatology. This volume fills an important role in our interpretation and understanding of this evangelical giant.” — David S. Dockery, distinguished professor of theology, Southwestern Baptist Theological Seminary, and president, International Alliance for Christian Education

In Studies in Historical & Systematic Theology, a peer-reviewed series of contemporary monographs exploring key figures, themes, and issues in historical and systematic theology from an evangelical perspective, you’ll find titles like Hidden & Revealed: The Doctrine of God in the Reformed & Eastern Orthodox Traditions by Dmytro Bintsarovskyi; Heaping the Schism: Karl Barth, Franz Rosenzweig, & The New Jewish-Christian Encounter by Jennifer M. Rosner; and In the Name of Our Lord: Four Models of the Relationship Between Baptism, Catechesis, & Communion by Jonathan D. Watson.
concludes with a profile of Packer from Mark A. Noll. Enjoy timeless insights from a man whose life was devoted to knowing God and making him known.

“There was—and is—no churchman and theologian from whom I have learned more about Christianity than Dr. Packer, who in life exemplified a model of orthodoxy and grace combined with an enviable gift for clarity. While many know him through his books, he also enjoyed influence as a writer of journalistic pieces for Christianity Today, where he brought his wit, wisdom, and faith to bear on a variety of issues. At once both a commentary on the times and explanations of the faith, these shorter pieces are delightful, devotional gems.” — Carl R. Trueman, professor of biblical & religious studies, Grove City College

“I think I read every one of these pieces when they first appeared, I am grateful beyond words that this new format allows me to read them again.” — D. A. Carson, emeritus professor of New Testament, Trinity Evangelical Divinity School

**STEWARDSHIP**
Nathan Meador & Heath R. Curtis

Nathan Meador and Heath R. Curtis present a practical theology of stewardship focused on ministry in service of the gospel. Guiding pastors away from the pitfalls of idolatry around money, they instead call stewards to embrace their identity in Christ and encourage their congregations to do the same. This fresh approach to stewardship reorients both individuals and congregations toward their true purpose as stewards who have been baptized into Christ.

“From the identity of the steward to the culture of the congregation, the authors provide a guidebook for pastors, congregational leaders, and members as they live out what it means to be a steward by God’s design.” —Wayne J. Knolhoefer, former Director of Stewardship for the Lutheran Church, Missouri Synod, and former Director of the Center for Stewardship at Concordia Seminary in St. Louis

“Stewardship: For the Care of Souls is a wonderful book that will help pastors, church leaders, and individuals think wisely and biblically, rather than merely pragmatically, about the importance of stewardship in all aspects of our life.” —David S. Dockery, president, International Alliance for Christian Education, and distinguished professor of theology, Southwestern Seminary

**AUTHORS**
Nathan Meador is senior pastor of St. John Lutheran Church in Plymouth, Wisconsin, and assistant coordinator for stewardship for the Lutheran Church, Missouri Synod.
Heath R. Curtis is senior pastor of Trinity Lutheran Church in Wauwatosa, Wisconsin, and coordinator for stewardship for the Lutheran Church, Missouri Synod.

Perry teaches us not only about funerals but about the entirety of Christian dying and living. Pastorally wise, theologically sane, and beautifully written, this book should be Christianity Today’s book of the year.” —Matthew Levering, James N. and Mary D. Perry Jr. Chair of Theology, Mundelein Seminary

“This is the best of pastoral theology: wise at discerning the times, gentle in its recommendations for the care of souls, incendiary as it fires the pastoral vocation all over again. Reading Funerals will remind you why you wanted to be a pastor in the first place.” —Jason Byassee, Butler Chair in Homiletics and Biblical Interpretation, The Vancouver School of Theology

Small Preaching: 25 Little Things You Can Do Now to Become a Better Preacher

Jonathan T. Pennington

It’s not often that we hear the virtues of the small. Our culture teaches that bigger is better—and that includes church ministry and preaching, too. In a world where “small” isn’t always celebrated, Jonathan T. Pennington provides Small Preaching, a short book of simple tips that can have revolutionary effects over time. Pennington offers preachers 25 words of wisdom that will help shape their preaching for the better.

“This book beautifully combines the renowned exegetical and hermeneutical skills of an eminent New Testament scholar with the heart and passion of a shepherd who loves God’s flock.” —Hershel W. York, dean of the School of Theology and Victor and Louise Lester Professor of Preaching, The Southern Baptist Theological Seminary
