**BIBLICAL GREEK MADE SIMPLE**

**ALL THE BASICS IN ONE SEMESTER**

H. Daniel Zacharias

Biblical Greek Made Simple is a one-semester textbook that teaches the basics of biblical Greek. Designed with the modern student and curriculum in mind, this grammar introduces all the essential elements of biblical Greek while also utilizing the tools and features of Logos Bible Software to help retain and enhance knowledge of Greek. Each chapter includes exercises tailored to its contents as well as additional teaching material for further advancement. Daniel Zacharias provides a solid overview of the entire biblical Greek system, while challenging students to understand how this ancient language is relevant to meaning and translation.

**LEARNING BIBLICAL GREEK**

**READING FOR COMPREHENSION: AN INTRODUCTORY GRAMMAR**

Karl V. Katz & Rebekah L. Josberger

What’s the best way to learn a new language? By approaching it not as a series of facts to memorize but as something alive, with a personality you can get to know and tendencies you can begin to predict. Designed for long-term retention, Learning Biblical Greek focuses on helping students understand how the language works and providing a solid grounding in Hebrew through extensive reading in the biblical text.

The Learning Biblical Hebrew Workbook provides essential practice with Hebrew for students using Learning Biblical Hebrew: Reading for Comprehension.

The workbook’s strength lies in the translation exercises designed to provide early access to biblical text, a continuous flow of biblical narrative, exposure to Hebrew syntax and idioms, and instant application of vocabulary and grammar. The Learning Biblical Hebrew Workbook provides the essential reading practice that makes the study of Biblical Hebrew come alive.

AUTHORS
Karl V. Katz (Ph.D., University of Wisconsin–Madison) is professor of biblical languages at Multnomah University in Portland, OR. For over two decades his teaching and mentoring of students in the language and literature of the Hebrew Bible has cultivated students’ passion for the biblical text, shaped and transformed their lives, and led to the establishment of an outstanding program for the study of the Hebrew Bible.

Rebekah L. Josberger (Ph.D., Southern Seminary) is associate professor of Hebrew and Old Testament at Multnomah Biblical Seminary in Portland, OR. Since coming to Multnomah in 2009, she has focused on developing a solid Hebrew program that enables and encourages students to learn Hebrew well enough to use it for personal growth and ministry long after they leave seminary. She teaches Old Testament with a focus towards biblical theology and continues research related to Torah.

**AN INTRODUCTION TO BIBLICAL GREEK**

**A GRAMMAR WITH EXERCISES**

John D. Schwandt

In An Introduction to Biblical Greek, John D. Schwandt integrates the rigor of a classic Greek grammar with the fruit of contemporary language learning. The result is a one-stop introduction to New Testament Greek that is both academically sound and student friendly.

RELIGION | Biblical Reference / Language Study, 978-1-6835-9084-2, Hardcover (7 x 9), 368 pages, $34.99
Exegesis takes time that many pastors don’t have and knowledge of context and language that many Bible students have yet to master. The Lexham Methods Series gives pastors and students a toolbox to understand Scripture in all its depth and to present that meaning to others.

**LITERARY APPROACHES TO THE BIBLE**
Edited by Douglas Mangum & Douglas Estes

The study of the Bible has long included a literary aspect, with great attention paid not only to what was written but also to how it was expressed. Literary Approaches to the Bible introduces the various ways the study of literature has been used in biblical studies—from classical philology and ancient rhetoric to modern literary criticism.

**TEXTUAL CRITICISM OF THE BIBLE**
Amy Anderson & Wendy Widder

Textual Criticism of the Bible provides a starting point for the study of both Old and New Testament textual criticism. In this book, you will be introduced to the world of biblical manuscripts and learn how scholars analyze and evaluate textual data to bring us copies of the Bible in Hebrew, Aramaic, and Greek that can be used for translating the Bible into modern languages.

**LINGUISTICS & BIBLICAL EXEGESIS**
Edited by Douglas Mangum & Josh Westbury

A better understanding of how language works should help us understand the Bible better as we seek to discern the original intent and meaning of each biblical author. In Linguistics & Biblical Exegesis, you will get a basic introduction to the field of linguistics—its history, its key concepts, its major schools of thought, and how its insights can shed light on various problems in Biblical Hebrew and Greek.

**SOCIAL & HISTORICAL APPROACHES TO THE BIBLE**
Edited by Douglas Mangum & Amy Balogh

The Bible was not written and received in a historical vacuum—in fact, the social and historical context of the Bible illuminates key understandings that may have been otherwise missed. In Social & Historical Approaches to the Bible, you will learn how biblical scholars use many different approaches to uncover this context, each engaging various aspects of the social and historical world of the Bible—from religious ritual to scribal practice to historical events.

Exegesis takes time that many pastors don’t have and knowledge of context and language that many Bible students have yet to master. The Lexham Methods Series gives pastors and students a toolbox to understand Scripture in all its depth and to present that meaning to others.
What does the Bible really tell us about the heavenly host?

Angels: What the Bible Really Says About God’s Heavenly Host

Michael S. Heiser

We all have some preconceptions about angels from movies, television shows, and other media, but you might be surprised to know that a lot of those notions aren’t based on anything from the Bible. If you read Luke 1:26–38 and imagine the angel Gabriel standing before Mary with neatly folded white wings, you’re not getting that picture from anything the Bible itself says.

In The Unseen Realm, Michael S. Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world. In his latest book, Angels, Dr. Heiser reveals what the Bible really says about God’s supernatural servants. He reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today.

Angels is not guided by traditions, stories, speculations, or myths about angels. Heiser’s study is grounded in the terms the Bible itself uses to describe members of God’s heavenly host; he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world.

Author

Michael S. Heiser is academic editor for Logos Bible Software, Bible Study Magazine, and Faithlife Study Bible. He is the coeditor of Old Testament Greek Pseudepigrapha with Morphology and Semitic Inscriptions; he is also the Hebrew instructor for “Learn to Use Hebrew for Logos Bible Software.” He earned his PhD in Hebrew Bible and Semitic languages and holds an MA in ancient history and Hebrew studies. He was named the 2007 Pacific Northwest Regional Scholar by the Society of Biblical Literature.

Jesus Wins: The Good News of the End Times

Dayton Hartman

Too often discussions about the end times are fraught with wild speculation or discord. But a biblical view of eschatology places Jesus’ return and victory at the center. All Christians hold this hope in common.

In Jesus Wins, Dayton Hartman focuses on this common ground to reveal why the way we think about the end times matters. Christian eschatology should be rooted in biblical orthodoxy to inspire hope and greater faithfulness in the present age. That’s the point of eschatology, after all! Drawing from his own ministry experience, Hartman testifies to the unifying power of Jesus’ victory.

Author

Dayton Hartman is lead pastor at Redeemer Church in Rocky Mount, NC. He has a PhD in church and dogma history from North-West University (South Africa) and serves as an adjunct professor at Southeastern Baptist Theological Seminary and Columbia International University.

Forthcoming January 2019

Lies Pastors Believe: Seven Ways to Elevate Yourself, Subvert the Gospel, and Undermine the Church

Dayton Hartman

RELIGION / Christian Church / Leadership

978-1-6835-9038-5, Softcover (5x8), 128 pages, $12.99

“Often eschatological speculation derails the mission that Jesus gave us: to make disciples.”

—From Jesus Wins
Many Protestant Christians are suspicious of natural theology, which claims that we can learn about God through revelation outside the Bible. How can we know anything about God apart from Scripture? In Nature’s Case for God, distinguished theologian John Frame argues that Christians are not forbidden from seeking to learn about God from his creation. In fact, the Bible itself shows this to be possible.

In nine short and lucid chapters with questions for discussion, Frame shows us what we can learn about God—and how we relate to him—from the world outside the Bible. If the heavens really do declare the glory of God, as the psalmist claims, it makes a huge difference for how we understand God and how we introduce him to those who don’t yet know Christ.

**AUTHOR**

Dr. John M. Frame is the retired J. D. Trimble Chair of Systematic Theology and Philosophy at Reformed Theological Seminary in Orlando and is the author of many books, including Salvation Belongs to the Lord, A History of Western Philosophy and Theology and the four-volume Theology of Lordship series.

“Scripture itself tells us to look at the created world to see the imprint of its Creator.”

—from Nature’s Case for God

**CHRISTIAN ESSENTIALS SERIES**

The Christian Essentials series passes down tradition that matters. The ancient church was founded on basic biblical teachings and practices like the Ten Commandments, baptism, the Apostles’ Creed, the Lord’s Supper, the Lord’s Prayer, and corporate worship. These basics of the Christian life have sustained and nurtured every generation of the faithful—from the apostles to today. The books in the Christian Essentials series open up the meaning of the foundations of our faith.

**THE APOSTLES’ CREED**

A GUIDE TO THE ANCIENT CATECHISM

Ben Myers

You recite it. But do you understand it?

The Apostles’ Creed has united Christians from different times, places, and traditions. It proclaims eternal truths for life today. We believe them, we recite them, but do we build our lives on them?

The fact that so many in the early church died for their faith means they were caught up in something greater than themselves. What were those truths? How did they empower a revolution? How did early church pastors and theologians use the Apostles’ Creed as the essential guide to the basics of the Christian life?

“...Myers shows as much as he tells, introducing us to the audacious wisdom of ancient voices whose insights prove timely and perennial. This is the catechesis we need for a secular age.”

—James K. A. Smith, Calvin College, author of You Are What You Love and Awaiting the King
Many people regard the day of the Lord as a future reality with little relevance for the earthly life of believers. But the apostle Paul understood the theological concept differently. For him the day of the Lord was a matter of present experience that influenced every aspect of his theology.

In *The Righteous and Merciful Judge*, authors Matthew Aernie and Donald Hartley issue a corrective to scholarship that misconstrues the day of the Lord as only a distant event. Through engagement with scholarship and careful exegesis of relevant texts, they argue that the concept of the day of the Lord was so significant for Paul that every aspect of his theology was in some way affected by it. Aernie and Hartley show us that Paul’s understanding of the day of the Lord relates to all of Paul’s theology because it was shaped by his encounter with Jesus, the Lord himself.

STUDIES IN SCRIPTYRE AND BIBLICAL THEOLOGY
is a peer-reviewed series of contemporary monographs exploring key topics and issues in biblical studies and biblical theology from an evangelical perspective.
HONORING THE SON
JESUS IN EARLIEST CHRISTIAN DEVOTIONAL PRACTICE
Larry W. Hurtado

Larry W. Hurtado has been one of the leading scholars on early Christology for decades. In Honoring the Son, Hurtado helps readers understand early Christology by examining not just what Christians believed or wrote about Jesus, but what their devotional practices tell us about the place of Jesus in early Christian worship.

Drawing on his extensive knowledge of Christian origins and scholarship on New Testament Christology, Hurtado examines the distinctiveness of early Christian worship by comparing it to both Jewish worship patterns and worship practices within the broader Roman-era religious environment. Honoring the Son offers a look into the worship habits of the earliest Christians to understand the place of Jesus in Christian devotion.

“Larry Hurtado here distills his thirty-plus years of careful and important study of the early Christians’ response to and engagement with Jesus into bite-sized form.”
—Steve Walton, Associate Research Fellow, Trinity College, Bristol, UK

AUTHOR
Larry W. Hurtado is Emeritus Professor of New Testament Language, Literature and Theology at the University of Edinburgh, Scotland, and a Fellow of the Royal Society of Edinburgh. He is the author of many books and articles, notably Destroyer of the Gods and Lord Jesus Christ.

SNAPSHOTS
The Snapshots series, edited by renowned scholar Michael F. Bird, engages significant issues in contemporary biblical scholarship, making them accessible to busy students of the Word and applicable in the life of the church.

“Like books, people can become ‘classics.’ Great in their day, but richer and more fulfilling with time. Not yet a classic, Vos’s never-before-published Reformed Dogmatics is more like a lost Shakespeare play recently discovered.”
—Michael Horton, J. Gresham Machen Professor of Systematic Theology and Apologetics, Westminster Seminary California

Geerhardus Vos was a significant player in the development of Reformed thought, yet his monumental Reformed Dogmatics was for over a century available only in Dutch. This new translation by Richard B. Gaffin, Jr., the product of years of work, makes Vos’s systematic theology fully available to the English-speaking world for the first time.

Vos’s strong grounding in scholarship and biblical theology makes Reformed Dogmatics unique, bringing a fresh perspective to systematic theology. His work is further distinguished by its question-and-answer format, making it accessible and practical for both study and reflection. This foundational work in systematic theology has been brought into the modern era in five, beautifully designed hardback volumes.

**THEOLOGICAL INSTITUTES, VOLUMES I & II**

*Introduction by Ben Witherington III*

Richard Watson

Theological Institutes was a critical landmark in the development of Methodist doctrine. Originally published in 1823 in four volumes, Watson’s work was the first attempt to systematize John Wesley’s theology. Influencing and guiding the later systematic theological work for Methodist theology, Watson’s Institutes was the main Methodist textbook for systematic theological studies and remained a primary text for over 50 years after his death.

Forthcoming Fall 2018

---

**INTRODUCTION TO DOGMATIC THEOLOGY**

E. A. Litton

Introduction to Dogmatic Theology presents a rare examination of dogmatic theology from an Anglican perspective. Originally published in 1882, Litton’s work holds to the essentials of evangelical faith while drawing heavily from St. Augustine and the Reformers. Primarily a dogmatic theology, Litton’s work also serves indirectly as a commentary on the 39 Articles, yet is free from the limitations a true commentary would present. It addresses faith, Christian theism, the state of man, angels, and the person and work of Christ, among other subjects. Readers will find this book a comprehensive and balanced treatment of Anglican dogmatic theology.

Forthcoming Fall 2018

**UNBELIEF AND REVOLUTION**

Willem Groen van Prinsterer

Guillaume Groen van Prinsterer’s Unbelief and Revolution is a foundational work addressing the inherent tension between religion and modernity. As a historian and politician, Groen was intimately familiar with the growing divide between secular culture and the church in his time. Rather than embrace this division, these lectures, originally published in 1847, argue for a renewed interaction between the two spheres. Groen’s work served as an inspiration for many contemporary theologians, and as a mentor to Abraham Kuyper, he had a profound impact on Kuyper’s famous public theology. Harry Van Dyke, the original translator, reintroduces this vital contribution to our understanding of the relationship between religion and society.

HONEY FROM THE ROCK

DAILY DEVOTIONS FROM YOUNG KUYPER

Translated by James A. De Jong

In his meditations, Abraham Kuyper reveals a side of himself rarely seen in his well-known theological writings. First published in 1880 and 1883 and never before translated in English, the devotions in Honey from the Rock were written for the nourishment and health of his soul. Rather than the public figure and theologian, we see a man thirsting and hungering for God’s presence. Modern readers entering this sacred space will be spiritually renewed, restored, and replenished by God’s Word before returning to their daily callings. Translator James De Jong introduces these powerful devotions from Kuyper.

AUTHOR

Abraham Kuyper (1837–1920) was one of the most extraordinary individuals of his time. A prolific intellectual and theologian, he founded the Free University in Amsterdam and was instrumental in the development of Neo-Calvinism. He was also an active politician, serving as a member of Parliament in the Netherlands beginning in 1874 and serving as Prime Minister from 1901 to 1905.

At this intersection of church and state, he devoted much of his writing towards developing a public theology. His passion was to faithfully understand and engage culture through a Christian worldview. The most famous example is his articulation of the doctrine of common grace. His work has influenced countless others, including Francis Schaeffer, Cornelius Van Til, and Alvin Plantinga.

TRANSLATOR

James A. De Jong, retired president of Calvin Theological Seminary, graduated from Calvin (BA and BD) and the Free University of Amsterdam (ThD). He is widely published in the history of Reformed theology and history of missions. He has taught on the undergraduate and graduate levels and has lectured globally.

Forthcoming 2019

“Communion with the Lord is sweet. It feeds the deepest hungers of the human spirit. Spiritual nourishment comes from all parts of the Bible.”

—From Honey from the Rock
OSBORNE NEW TESTAMENT COMMENTARIES

Grant R. Osborne

The Osborne New Testament Commentaries, by respected professor and author Grant R. Osborne, gives a straightforward explanation of the New Testament in its context, avoiding either oversimplification or technical complexity. Osborne brings out the riches of each New Testament book, making them accessible for today’s pastors as well as all who consider themselves students of Scripture.

ROMANS
VERSE BY VERSE

While it is not a systematic theology, Romans is Paul’s most systematic presentation of the good news of Jesus. Osborne unpacks what this towering letter means for us today.

1 & 2 THESSALONIANS
VERSE BY VERSE

Paul’s letters to the church in Thessalonica are often considered among his less significant letters, but they were written to a church in a prominent city, facing important issues. In addition to addressing the question of Christ’s return these letters model a loving relationship between a pastor and a congregation.

LUKE
VERSE BY VERSE

In the longest Gospel, Luke places great stress on the unique lordship of Jesus and God’s plan to bring salvation into this world. Throughout, Luke stresses that Jesus’ message reaches forgotten people groups, particularly the poor and women, showing us that the gospel is truly intended for all people.

JOHN
VERSE BY VERSE

John is the most evangelistic account of Jesus’ life and ministry, and it also gives the mature Christian deep theological truths to chew on. Osborne invites the reader to become caught up in the dramatic masterpiece of the Fourth Gospel.

LEXHAM GEOGRAPHIC COMMENTARY ON THE GOSPELS

Edited by Barry J. Beitzel

The Lexham Geographic Commentary on the Gospels delivers fresh insight by paying attention to an often-overlooked component of the Gospel stories—their geographical setting. Written by a team of scholars with on-the-ground experience in Palestine, the Geographic Commentary lets you see the land through the eyes of the disciples as Jesus uses the surrounding landscape as the backdrop for his teaching. Each article addresses a particular story, event, or subject across the Gospels.

“You’ll see why it was so miraculous that the disciples caught such a horde of fish on the second cast at Jesus’ bidding (hint: it’s more than the number). And you’ll appreciate the significance of Peter’s declaration of “you are the Christ, the Son of the living God” when the location of this exchange is identified and its geographical history retold. This commentary will not only place you in the sandals of the disciples as they traveled throughout Israel with Jesus, but it will explain the significance of the geographic details to the biblical text and your life today. With more than fifty Gospel stories expounded from this important geographical angle, you’re bound to take away something new from these well-known stories.”

—David A. deSilva, Trustees’ Distinguished Professor of New Testament and Greek, Ashland Theological Seminary

“Enquiring into the richness of each part of the New Testament, its Triune God, its message, the life it offers, and the wonderful hope it brings.”

—from Discovering the New Testament

MARK J. KEOWN

DISCOVERING THE NEW TESTAMENT

AN INTRODUCTION TO ITS BACKGROUND, THEOLOGY, AND THEMES

Volume I: The Gospels & Acts

Mark J. Keown

Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes, reflecting current research and scholarship in New Testament studies. Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application.

The first volume on the Gospels and Acts covers Jewish and Greco-Roman backgrounds, critical methodologies, the Synoptic problem, and surveys each of the four Gospels and Acts. It concludes with three chapters that explore the key theme of the kingdom of God, including its Old Testament background, the place of miracles, and an examination of Jesus’ parables.

Ideal for college or seminary students, the volumes provide numerous maps and charts as well as discussion questions for each chapter and a focus on real-life relevance and application. Forthcoming volumes will focus on Paul’s Letters (Vol. 2) and the General Epistles and Revelation (Vol. 3).

AUTHOR

Mark J. Keown (ThD, Laidlaw College) is a senior lecturer in New Testament at Laidlaw College in Auckland, NZ, and is the author of Congregational Evangelism in Philippians as well as numerous essays and journal articles. He is also an ordained minister and served at Greenlane Presbyterian Church from 1997–2003.

THE USE AND MISUSE OF THE KING JAMES BIBLE

Mark Ward

The kjv beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Today, the King James is still the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last 400 years—and in some subtle ways that very few modern readers will recognize. In Authorized, Mark Ward shows what exclusive readers of the kjv are missing as they read God’s Word.

In their introduction to the King James Bible, the translators tell us that Christians must “heare CHRIST speaking unto them in their mother tongue.” In Authorized, Mark Ward builds a case for the kjv translators’ view that English Bible translations should be readable by what they called “the very vulgar”—“what we would call “the man on the street.”

—D. A. Carson, research professor of New Testament, Trinity Evangelical Divinity School

SURVIVING AND THRIVING IN SEMINARY
AN ACADEMIC AND SPIRITUAL HANDBOOK

H. Daniel Zacharias & Benjamin K. Forrest

Students of the Bible often spend years in seminary, time that is meant to prepare them for ministry. But this can also be a very challenging time. Many students struggle with the rigorous study and the challenges to their personal and spiritual lives. Surviving and Thriving in Seminary is designed to prepare current and future seminary students for what’s ahead. Two experienced seminary professors (and former seminary students) recount what they tell their students and what they wish they had known themselves. This book teaches skills that will help students conquer challenges in the areas of time management, their personal life, and study practices. Seminary is always challenging, but with the right tools, students can do more than just survive—they can thrive.

AUTHORS
H. Daniel Zacharias (PhD, University of Aberdeen / Highland Theological College) is assistant professor of New Testament at Acadia Divinity College.

Benjamin K. Forrest (EdD, Liberty University) is associate professor of Christian education and chair of practical studies at Liberty University’s Rawlings School of Divinity. His doctoral research focused on the spiritually formative experiences of seminary spouses.

“Surviving and Thriving in Seminary is essential reading for the next generation of seminary students.”
—David S. Dockery, president, Trinity Evangelical Divinity School

PLAIN THEOLOGY FOR PLAIN PEOPLE

Charles Octavius Boothe

“In Plain Theology for Plain People, Charles Octavius Boothe makes plain a systematic theology that is both faithful to biblical orthodoxy and responsive to the particular interests of black Christians.”

FINDING GOD IN THE MARGINS

THE BOOK OF RUTH

Carolyn Custis James

“Finding God in the Margins is not for the faint of heart; this book will sidekick you with admonishment when you least expect it and then turn a word of grace into redemption.”
—Scott McKnight, Julius R. Mantey Chair of New Testament, Northern Seminary

RELIGION / Biblical Studies / Bible Study Guides

LIVING WELL

GOD’S WISDOM FROM THE BOOK OF PROVERBS

Allan Moseley

“This book is vintage Allan Moseley! It is biblical, clear, practical, and witty. It perfectly represents the genre of Proverbs. The Proverbs were intended for real life. Moseley masterfully puts this on full display in this very fine work.”
—Dr. Daniel L. Akin, president, Southeastern Baptist Theological Seminary

FLAWED PERFECTION

WHAT IT MEANS TO BE HUMAN AND WHY IT MATTERS FOR CULTURE, POLITICS, AND LAW

Jeffrey A. Brauch

“Jeffrey Brauch has a well-earned reputation for taking the dry and the tedious and making them come very much alive. He lives up to that reputation on just about every page of this book.”
—Neil Belz, founder, World Magazine

RELIGION / Christian Life / Social Issues
978-1-6835-9024-8, Softcover (5.5×8.5), 328 pages, $15.99
Readers who master these principles will find the Bible open up to them in new, exciting ways.” —Robert B. Chisholm, Jr., chair and professor of Old Testament studies, Dallas Theological Seminary

**Leland Ryken**

In the Reading the Bible as Literature series, Leland Ryken explores the intersection of the Bible and literature. And he goes one step further than merely explaining the literary approach to the Bible—he includes exercises to help students of the Bible master it. Dr. Ryken shows pastors and students and teachers of the Bible how to appreciate the craftsmanship and beauty of Scripture and how to interpret it correctly.

The three volumes in Biblical Theology present the divine-human covenants as expressions of God’s nature and show a paradigm of activity by which God works in covenantal relations, first to create the world and then, through a redemptive program after the fall, to redeem what was lost.

Volume 1 explores the common grace covenants of the Bible—that is, the Adamic and Noahic—while volume 2 studies the special grace covenants in the Old Testament—namely, the Abrahamic, Mosaic, and Davidic. Volume 3 examines the final and culminating special grace covenant: the new covenant.

“This work must be taken into account in all future thinking about the important theme of covenant.” —Truett Longman III, Distinguished Scholar of Biblical Studies, Westmont College

THE COMMON GRACE COVENANTS, THE SPECIAL GRACE COVENANTS (OLD TESTAMENT), THE SPECIAL GRACE COVENANTS (NEW TESTAMENT)

Jeffrey J. Niehaus (PhD, Harvard University) is professor of Old Testament at Gordon-Conwell Theological Seminary, where he has taught since 1982. He is the author of numerous scholarly articles and books.

This includes celebrated authors like Warren Weaver, Leland Ryken, and Walter Kaiser, Jr., as well as award-winning titles like *enGendered* by Sam Andreades, *WORLD* magazine’s 2015 Book of the Year.

Weaver has provided pastors and other church leaders with thoughtful and practical works on understanding the Bible, preaching, theological topics, and cultural issues.

**Welcoming New Books & Authors**

Lexham Press is excited to welcome a number of new authors and their books to the Lexham family!

This spring, we were approached with the unique opportunity to purchase the catalog of Weaver Book Company. Founded in 2013, Weaver has provided pastored and other church leaders with thoughtful and practical works on understanding the Bible, preaching, theological topics, and cultural issues.

Leland Ryken (PhD, University of Oregon) is professor of English emeritus at Wheaton College, where he has taught since 1968. He is the author of more than 50 books.
MILESTONES OF THE MASTER
CRUCIAL EVENTS IN THE LIFE OF JESUS AND WHY THEY MATTER SO MUCH
Warren W. Wiersbe

A satisfying and enriching study of the twelve most important events in the life of Jesus. Beloved Bible teacher Warren Wiersbe explains the meaning of each event in the ministry of Jesus and goes one step further to show the personal significance of each momentous event in the life of the most important person who ever lived.

TRUTH ON ITS HEAD
UNUSUAL WISDOM IN THE PARADOXES OF THE BIBLE
Warren W. Wiersbe

In Truth on Its Head, well-known and respected author Warren Wiersbe explores fifteen surprising paradoxes of the Christian life. How does strength come from weakness? Honor from humility? And progress out of standing still? All of these are paradoxes—and yet they reveal the wisdom of God!

CONTROVERSY OF THE AGES
WHY CHRISTIANS SHOULD NOT DIVIDE OVER THE AGE OF THE EARTH
Theodore J. Cabal & Peter J. Rasor II

“...makes Controversy of the Ages a critical read for evangelicals wending their way through the confusion. I am very enthusiastic about the scholarship, careful treatment, and irenic tone of this book and highly recommend it.” —J. P. Moreland, Distinguished Professor of Philosophy, Talbot School of Theology

PASTORAL MINISTRY IN THE REAL WORLD
LOVING, TEACHING, AND LEADING GOD’S PEOPLE
Jim L. Wilson

“This excellent guidebook is a winning combination of careful research, personal ministry experience, biblical insight, and a broad understanding of how people are thinking in today’s world. I have read most of the classic manuals on pastoral work and written a few of my own, but Pastoral Ministry in the Real World has elements that are superior to them all.” —Warren W. Wiersbe, author and former pastor, Moody Church, Chicago
