Updated terms and conditions (Dec. 13 2011 at 2:00 PST)

Earning Christmas credit is now even easier! We've lowered the minimum requirements so that everyone can take advantage of this great promotion. Now, you only have to spend \$10 to start earning 15% credit on all of your purchases. This promotion only lasts through January 2, so sign up now!

Dates

The 2011 Christmas Credit campaign runs from December 1, 2011 (12:00am PST) to January 2, 2012 (11:59pm PST). All qualifying purchases made during this time will count toward the promotion.

Opt In

You must sign up to qualify for this promotion. Signing up opts you in to a Logos.com mailing list which will only be used to send you information regarding this and future Christmas promotions. Opting in is the only way Logos Bible Software will be able to award you Logos.com credit for this promotion.

How Christmas Credit works

All qualifying purchases associated with the email you use to sign up will be totaled at the end of the promotion, and Logos Bible Software will credit the appropriate amount to your account.

The total amount you spend on qualifying purchases during the promotional period (before taxes and shipping) will place you in one of six brackets. Each bracket offers a percentage of your total spending in Logos.com credit (the percentage increases as your total spending increases). The amount you earn is determined by which price bracket you fall into at the end of the promotional period.

Percentage matched in Logos.com credit	Price brackets	Maximum earning potential
50%	\$5000+	Unlimited
40%	\$2,500 – \$4,999.99	Up to \$2,000
30%	\$1,000 – \$2,499.99	Up to \$750
25%	\$500 – \$999.99	Up to \$250
20%	\$100 – \$499.99	Up to \$100
15%	\$10 – \$99.99	Up to \$15

After January 2, you'll receive your Logos.com credit based on the highest bracket for which you qualify. Christmas Credit can be used towards any live product on Logos.com and will never expire.

Here's an example:

If you spend \$1,260 during the promotion period (on qualifying purchases before tax and shipping), you qualify to get 30% of that in Logos.com credit to spend. Once we process the orders after January 2, you'll receive \$378 in Logos.com credit to spend however and whenever you want.

Non-Qualifying Purchases

Purchases made during this promotional period do not qualify for Logos.com credit if any of the following criteria is met:

- The charge is a payment toward an already existing payment plan. New payment plans do qualify for the promotion.
- The product is on [Pre-Pub](#)
- The product is on [Community Pricing](#)
- The purchase is for Logos.com credit.
- The purchase is for non Logos.com products (Vyrso, Proclaim, MP Seminars, etc.)

Spending Christmas Credit

Christmas Credit is Logos.com credit and can be used to purchase anything available on Logos.com. It cannot currently be used to pay for Pre-Pubs, but this may change in the future.

Returns

Christmas Credit is only awarded to orders first placed during the promotion period and will not be awarded on products that are returned and repurchased. If a product purchased during the promotion period is returned at anytime, the accrued credit from that purchase will be deducted from your Logos.com account (or from your refund, if the credit was already spent).

Spanish Customers

Due to the nature of this promotion you may only sign up for either the English promotion or the Spanish promotion. If you are interested in signing up for the Spanish Christmas Credit promotion please sign up here <http://www.logos.com/es/navidad>. If you sign up for both, you will be opted out of the Spanish promotion.
